COACHES/SPONSORS
EXPECTATIONS

St Paul Public Schools

Mission Statement:

It is the mission of the St Paul Public School District Athletic Department to inspire each student to extraordinary achievement everyday.

- Provide a comprehensive athletic program that emphasizes the development of lifelong learning, values, and skills through hard work, sportsmanship, ethical conduct, and fair play.
 - The program is based upon open communication and mutual respect among school administration, instructors, coaches, athletes, parent's and officials.
 - The program serves as a positive, powerful, productive force for our school, community, and most importantly the student-athlete.
-

St Paul Public Schools

Activities Department Objectives:

To provide an attractive program for the student-athlete:

- Provide the student-athlete with an enjoyable and rewarding experience
- Make player safety and welfare our highest priority

To give quality instruction in the fundamentals of each sport offered:

- Specific athletic skills and strategies
- Sportsmanship, ethical conduct and fair play

To be an integral part of the secondary school curriculum:

- Inspiring all athletes to give their highest effort in the classroom, as well as, on the playing field
- To stress the importance of self-discipline in the classroom, the community and on the field
- Teach our athletes that dignity, self-worth and self-esteem are achieved through hard work
- To create a positive school climate that is enhanced when student-athletes and remaining student population work together as a team to represent their school in interscholastic competition.
- Develop concepts of goal attainment through hard work and rigorous self-discipline, and to provide a vehicle for the development of interest in curricular school programs and for post- secondary educational opportunities

To make the athletic program a source of both school and community pride:

- Help each athlete to interact positively with faculty, community and fellow students
 - Make the team a positive influence on all who come in contact with it
 - To demonstrate the social competence of operating within a set of rules, thus gaining a respect for the rights of others, and an understanding that penalties follow rule violations
-
