

Safe Trick-Or-Treating Option for Elementary Students at the School

Saturday October 31

On the Blacktop

5-6:30 PM

Park in the high school parking lot

Please bring a canned food item to the Boo Bash to help St.Paul FBLA earn a ribbon for the State Leadership Conference. FBLA will be the first table!

Social distancing will be taking place at this event, patrons will be provided with gloves, masks will be required for all, and hand sanitizer will be used on trick-or-treaters. Additionally, all candy needs to be pre-packaged. We can't wait to see all of the wonderful costumes and we appreciate cooperation with these rules to keep our community safe during this time! The Boo Bash is being sponsored by the St. Paul Math and Science Club
