*Early
College*

Central Community College offers opportunities for you to take college classes while you're still in high school. Regardless of your location or schedule, you can access numerous college courses with our Early College programs.

*Start exploring
while in high
school.
Find out
how
to*

S	Start Early	Central Community College's "Early College" program provides high school students an opportunity to get an early start on a college education.	<ul style="list-style-type: none"> • Juniors and/or seniors who are ready for college level work and meet entrance requirements are eligible for enrollment. • Entrance placement tests include ACT, COMPASS and ASSET. 	Enrollment for CCC classes is in cooperation with your school counselor and a CCC representative.
T	Transfer	Some high school students take college courses to help with career exploration while others are interested in getting an early start earning the academic credits required for a particular degree.	<ul style="list-style-type: none"> • Central Community College is a member of the Nebraska Transfer Initiative and has transfer agreements with most in-state colleges and universities. • CCC offers a degree program specially designed with courses that transfer to other Nebraska institutions. • Early College credits earned at CCC will remain at CCC to be applied towards programs of 	
E	Explore	High school is the time for students to explore their career and college options. Central Community College has several programs in which you can earn college credit and explore career choices.	<ul style="list-style-type: none"> • Explore college and career options by targeting high school articulated classes and career academies • Career Academy – exploring career fields while taking college courses and participating in other career exploration activities at no cost to the student. • Early College, dual-credit courses – earning both high school and college credit. • Early College, for college credit only – credits earned will be for college only and will not be listed on high school transcripts. 	
P	Pay Less	CCC offers several ways you can save money on a college education.	<ul style="list-style-type: none"> • High School Articulated credit – earning CCC credit while taking specific high school courses. • Take advantage of Central Community College's affordable tuition and fees. • Spread the cost of college education to include high school Junior and Senior years • Understanding the options when transferring credits 	

U	Understand	Understand the advantages and benefits of Early College courses at Central Community College.	<ul style="list-style-type: none"> • Save money with CCC's affordable tuition and fees. • Spread out the cost of college by starting in High School. • Earn credits toward an associate degree at CCC. • Take academic transfer courses. • Begin building job skills and explore career options. • Find out what college is really like. 	
P	Prepare	Your high school graduation day is as much a starting point in your life as it is a finish line for your K-12 education. As you complete your high school requirements, you should be planning for the steps that come after high school, Central Community College can help you prepare to be career and college ready.		In addition to Early College coursework some activities may include: <ul style="list-style-type: none"> • Career interest and skill inventories • Job shadowing • Researching job placement outlooks

Central Community College is YOUR local college and we're here to help you meet your goals!
